Elite Basketball Middle School Camp - 5th grade - 7th grade- This option is offered at PSA 1, PSA Murphy and PSA McKinney.

WE WILL ONLY TAKE THE FIRST 20 TO SIGN UP.

This camp is designed for boys and girls who have played upper “B” level or “A” level of play in their leagues. This camp will focus on teaching team concepts so the players will have a better understanding of what it takes to make a school team. The concepts that will be taught are; full and half court pressure defense, motion offense, zone offense, set plays, set inbound plays and last second winning plays. The campers will spend the first hour doing skills work, the second hour working on team concepts and will finish up with at least a 40 minute scrimmage. These players will be pushed so they can understand what they will encounter when they try out for their school team. Make it a full day with a Finish the Day Flexi Add On.

Kindergarten-7 th grade	March 13-15	1:00-4:00pm	PSA McKinney	\$81

Baseball Camp- Ages 5-13 - This option is offered at PSA 1.

We will cover all basic skills needed to improve your baseball game. We will stress tee work in hitting development as even the highest paid major leaguers still go back to the tee when needing to fix their swing. We will also cover infield and outfield defense along with coverage's that are needed for when the ball is put in play. For any one playing in a kid pitch league we will go over the basics with them and more advance work for those who want to be pitchers. We will break the groups up based on type of play based on their age. Kindergarten through 2nd grade will work out based on coach pitch playing rules. If a second grader wants to work on pitching because they are going to play MKP then we will group them with the third graders on up who will go through full regular baseball workouts. Get a jump start on your competition as spring ball is not that far away from starting. If there is inclement weather we will move inside and workout in the indoor arena. No reason to worry about weather cancellations. Make it a full day with a Finish the Day FlexiPass Add On.

Kindergarten-7 th grade	March 13-15	1:00-4:00pm	PSA1	\$81

Sports Camps

Basketball Camps

We offer three types of Basketball Camps. Please see below which one fits your child. It is very important to place your child in the camp they can feel comfortable in and will have the most success. If you have questions, please feel free to Call Customer Service to discuss. 972.208.5437

Basketball Basic Skills Camp-Ages 5 years old through 12 years old

This camp is for players who are on B and C level Recreational teams or beginners that need to work on their game. These half day camps are led by some of the best school and club coaches in the area. Our structured program is designed to build each player up every day in the most important individual skills which are shooting, rebounding, and dribbling, passing and defensive positioning. In addition to the individual skills, the camp will teach basic team drills that will enable each camper to understand better how he or she can make a difference on their team. Every day we will finish with some sort of game competition that fits the age and skill level. The players will be divided up based on age first, but then we will evaluate if their skill fits that age and if it doesn't, we will move them to a group where they will have the best chance to have a successful and fun camp.

PSA Elite Camp for Entering 4th-6th Graders

This camp is for High B, A or Club/Select type players who want to learn advanced concepts and strategies to help prepare them for school tryouts. This camp will be limited to the first 32 players who sign up each session.

Some of the top High School Coaches in the area will be running this camp along with elite club coaches who work in our excellent School Tryout Prep Program (STPP). We have a remarkable success rate working with 7th-10th graders helping them make their teams and now we are bringing this program to our younger athletes so they can get a jump on the competition. This camp will focus on teaching team concepts along with advanced skills so the players will have a better understanding of what it takes to make a school team. The concepts that will be taught will include: fast break drills taught at middle schools, multiple defensive sets that include traps in the half court, full and half court pressure defense, motion offense, zone offense, set plays, set inbound plays and last second winning plays. The campers will spend the first hour doing skills work, the second hour working on team concepts and will finish up with at least a 40-minute scrimmage. These players will be pushed so they can understand what they will encounter when they try out for their school team. This camp is NOT for beginners or kids who really don't love the game of basketball.

PSA Elite Basketball Team Builder Camp for Entering the 7th-10th Grades

This camp is for High B, A or Club/Select type players who want to learn advanced concepts and strategies to help prepare them for school tryouts. You show up and we build the team!

Some of the top High School Coaches in the area will be running this camp along with elite club coaches who work in our excellent School Tryout Prep Program (STPP). This camp is a branch of that highly successful program that we will run as an intense 5-day camp, encompassing 15 hours of elevated level training. We have a remarkable success rate working with 7th-10th graders helping them make their school teams. This camp will focus on teaching skills related to the position your child will be playing in school. On top of that we will also set them up to be prepared to run actual examples of school offenses that they might meet. The concepts that will be taught will include: fast break drills taught at middle and high schools, multiple defensive sets that include traps in the half court, full and half court pressure defense, motion offense, zone offense, set plays, set inbound plays and last second winning plays. The campers will spend the first hour doing skills work, the second hour working on team concepts and will finish up with at least a 40-minute scrimmage. **A new bonus is we will film one of the scrimmages during the week, and then do a film session the next day so they can see how a coach breaks down a film and reviews with them their play. We will also be able to email you this film to watch with your child.** These players will be pushed so they can understand what they will encounter when they try out for their school team. This camp is NOT for beginners or kids who really don't love the game of basketball. Space is limited so sign up early.

James Singleton Basketball Camps

James Singleton decided to stay a little closer to home and went to Pearl River Community Junior College in Mississippi then eventually found his home at Murray State. James has always been a family first type guy but very explosive on the basketball court and was named Newcomer of the Year in 2002 as he led the Racers to the Ohio Valley Conference title that season and to an NCAA tournament berth.

After College, Singleton moved to Italy to refine his skills in the professional European League. He earned numerous honors in just two years, including Rookie of the Year, Player of the Year, and Player of the Year and Defensive Player of the Year.

Singleton became a starter for the Clippers and for the first 13 games averaged a double-double in every game. He signed with the Dallas Mavericks for a 2-year contract then was traded to Washington Wizards. Single-*ton* is now playing in the China Basketball Association with a team called Xinjiang Fly-in Tigers.

Big Man/Women Camp

What you will learn:

- This camp will teach you how to capitalize on and defend against mismatches, rebound effectively, and get to the free throw line consistently
- This course will also teach you how to finish powerfully in the paint, to control play in the interior, and to be a threat when facing up away from the basket
- Become a floor general and dominant inside presence on the offensive and defensive ends of the court

Emphasis on:

- How to Score in the Paint
- How to Properly Post up
- Back to the Basket moves (Drop Steps, Etc....)

- Short Corner Play
- Midrange Scoring
- How to Rebound Offensively and Defensively
- How to Receive the Ball in the Post
- How to Pass out of the Post
- Physical Performance Training
- And Much More

Camp will include:

- Lunch and a Jersey for all participating in the Camp

Shooting Camp

Campers will Learn:

Form shooting drills focusing the proper way to shoot. 2. Catch and Shoot. 3. Creating Space teaching players moves to get away from defenders to get shots. 4. Shooting off the Dribble.

Basketball Skills Camp

Join James Singleton former player of the Clippers and Dallas Mavericks, for a 4-day basketball camp. James is very hands on and the week consists of skills, drills, games and contests. The camp is held at PSA2. The camp begins each day at 9am and ends at 4pm. don't hesitate to register as this camp will fill up!

Bring a friend and have twice the fun.

Volleyball Camps

Campers will be divided into groups according to skill level and age. They will be taught the fundamental skills including serving, setting, blocking and hitting. Beginners and experienced players are invited.

Indoor Soccer Camps

Instructed by high school coaches, club coaches and some of the best select and college level players, this camp will teach the fundamentals of dribbling, passing and shooting as well as ball control. Campers play a game against the coaches on the last day of camp, so bring your camera! Basic Camp is for Ages 5-12. **No cleats will be allowed on the indoor turf.** Shin guards with long socks are required.

Baseball Camps

Basic Baseball Camp

PSA Baseball Camps are offered for boys and girls who have just completed K – 6th grade (must have completed kindergarten). All aspects of the game will be addressed including fielding, base running, and hitting. Getting out there and hitting and fielding every day for a week is a wonderful way to get ready for baseball playoffs! Snack and t-shirt included in fee. Campers will be dropped off and picked up at **Archgate Park (across the street from PSA 1)** and if you want to add a Finish the Day FlexiPass, your

child will be escorted over to PSA 1 where they will finish their day and you can pick them up at PSA1. Please have your child bring all of their equipment plus sunscreen, but they do not need to bring a ball as we will provide them.

Softball Camps

Basic Softball Camp

PSA Softball Camps are offered for girls who have just completed K – 6th grade (must have completed kindergarten). All aspects of the game will be addressed including fielding, base running, and hitting. Getting out there and hitting and fielding every day for a week is a great way to get ready for softball playoffs! Snack and t-shirt included in fee. Campers will be dropped off and picked up at **Archgate Park(across the street from PSA 1)** and if you want to add a Finish the Day FlexiPass Pass your child will be escorted over to PSA 1 where they will finish their day and you can pick them up at PSA1. Please have your child bring all of their equipment plus sunscreen, but they do not need to bring a ball as we will provide them.

Martial Arts Camp

Martial Arts Basic Skills Camp

PSA Martial Arts is proud to offer our 43 years of experience teaching children. PSA Martial Arts was rated one of the top 200 schools in the country and #1 in Plano by the "Plano Insider". Bottom line, we offer the best Martial Arts Summer Camps!

These innovative and professionally designed camps offer children ages 5 to 14 an exciting and productive summer of fun!!!

Our dedicated and professional staff are focused on providing a safe and positive learning environment for all campers, while allowing them to have a fun and productive summer camp experience. As a Licensed Child Care Center, our summer camp is overseen by our Child Care Director and is staffed with professional Martial Arts instructors, senior staff members, and care givers.

Each day, campers participate in an age appropriate Tae Kwon Do class led by Professional Black Belt Instructors. Campers can expect Improvements in Coordination, Physical Fitness, Focus, and Discipline. The Martial Arts Instruction also offers valuable Self-Defense Skills and Increased Self-Confidence. Campers will participate in the same class curriculum as a full time PSA Martial Arts student, allowing them to continue their martial arts training once the summer is over.

Martial Arts Belt Camp

In our Martial Art Belt Camps kids learn firsthand how focused effort pays off! They will advance through our Tae Kwon Do curriculum including belt test promotions while developing skills, increasing

their level of fitness, making new friends, and having fun. Belt Camp participants are eligible for a special belt test the last day of camp.

Weapons/ Weapons Design/Light Saber Jedi Training Camp

This camp will allow participants to experience a variety of Martial Arts weapons in an age appropriate setting of safety and fun. Students will have the opportunity to work with Bo staff & Nunchuckas with a camp instructor. Students not only learn how to properly use each weapon (all weapons are padded), but they will also learn about the origin and history of each weapon.

Cheerleading

Cheerleading is a dynamic, fun filled program combining dance, jumps, cheers, and chants. Cheerleaders today are disciplined, accomplished athletes. Cheerleading develops strength, flexibility, spunk and power. It teaches athletes about teamwork, commitment, responsibility and camaraderie. Children will learn the latest in cheerleading all in a safe and fun environment. Camp will include cheerleading motions, cheerleading jumps, cheer and dance routines, tumbling, stunts and conditioning. Snack and t-shirt are included in the fee. Add a Finish the Day FlexiPass to make it a full day. Please make note on where the camp is held as we will use PSA 1, PSA Murphy and PSA McKinney. Also, we do offer various times during the summer, so please check if it is a morning or afternoon session.

Dance

Dance camp will focus on traditional dance technique, flexibility, strength, and conditioning in a fun environment. Dancers will learn various routines in Pom, Jazz and Hip-Hop that will incorporate a variety of kicks, jumps, leaps and turns. Enjoy a great time while learning the latest moves of today! No experience necessary.

Enrichment Camps

Fun with Arts and Crafts Camps

If your child likes to be creative, this is the class for them. Each week the kids will get to experience multiple types of arts and crafts from free drawing, painting, building a structure out of Popsicle sticks, lanyard projects, tie dying and much, much more. Every day your child will come home with something new they created themselves and can display for the entire family to enjoy.

Lego Mindstorm Academy 1

Our entry level robotics course is designed for kids to explore and experience the basics of robotics. Using Lego Mindstorms, students will learn how to construct and program robots to perform simple tasks. We will begin by familiarizing the students with the items that are important to the structure of the robots. Then, we will attach motors and wheels that allow our machine to become mobile. Finally, we will learn how to program our creations to carry out specific functions, such as traveling measured distances and maneuvering. This course lends itself to multiple levels of rigor and can be tailored to fit a wide range of learners. Students work in teams of two or three and gain confidence through hands-on learning. Grades 2nd and up are welcome to join.

Youth Tech Inc. is an interactive computer camp that focuses on providing enrichment opportunities to students in the world of computers. With a caring environment at the core of camp values, Youth Tech strives to create a positive learning community that encourages creativity, fun and academic excellence. For more information about Youth Tech Inc. please visit our web site at www.youthtechinc.com

PSA SCIENCE CAMP

In this class campers will get hands on experience in Science projects. From Kinetic Loco motor skills to Chemistry, campers will get to have fun learning some of the basic Science facts. Five days of action packed fun.

Pitch Perfect Camp

Camp will concentrate on the fun, interactive learning of music as well as the art of performing. Music and performing helps develop children into more successful and well-rounded individuals. Children will have the opportunity to learn, practice and sing fun music as well as scales, warm-ups and choreography. This camp will focus on the wealth of enjoyment that music has to offer as well as supporting each other as musicians and performers to offer a great musical experience. Performance is on the last day.

Enrichment Chess Camp

Critical thinking is always in season! Join us for a fun week of chess over Spring Break. Students will expand their repertoire of strategies and tactics while improving their position during the game. There will also be opportunities to play Giant Chess and an in-class tournament at the end of the week for a chance to play for trophies. All levels of experience are welcome. Group lessons and chances for personal coaching also provided. Ages 6-13.

Teaching kids to think for the future

g

Camp Name (Ages)	Description
Drones and aviation (8-13) [only PSA1]	Soar the skies in this aviation adventure. You will participate in missions to fly drones, create take home models of flying objects such as a motorized helicopter, plane, parachute, UFO and spaceship. You will learn about FAA rules, drone flying safety, aerodynamics, self driven planes and other inventions that will impact the future of aviation. Brainopolis will provide the safety equipment and materials. For the safety of the kids, unruly and unsafe behavior will not be tolerated.
Minecraft programming and play (6-11)	Save Steve from the Ender Dragon and creepers. Join our group of coders to program and play Minecraft. In this camp you will use a programming tool to create your own Minecraft computer mini-games. You will learn conditionals, operators, repetitions, motion commands and subroutines. The main focus will be on teaching you how to think logically to be able to code. Brainopolis will enable a laptop per student. Bring your own mouse and flash drive.
Online Olympics (6-11)	If you like sports and computers, this is the class for you. Use a programming tool to create your own Olympic games such as soccer goal, swimming torpedo, ice skating and canoe sprint. You will learn how to use the editor to create sprites and backdrops for your games, user interaction commands and routines to manage scores. Become a gold medalist coder! Brainopolis will enable a laptop per student. Bring your own mouse and flash drive.
Explosions and defense (6-11)	This is a strategy against creepers and zombies. Create models of defense artifacts, combine ingredients to simulate explosions and chemical reactions that produce gases and foam. Use electric explosive simulators to attack the enemy. You will learn about exothermic reactions, structures, stability, balance and simple machines. Only you can help us in this explosive quest against creepers 😊
Pokemon Programming (6-13)	Help Pikachu against Charizard. Bulbasaur to find a ride to a pokéstop, and teach Squirtle to play with pokéballs. In this Pokemon mission you will learn coding commands to create your own computer games. You will use costume commands, blocks and user interaction routines. Why play the games that everyone has when you can make your own. Brainopolis will enable a laptop per student. Bring your own mouse and flash drive.
Artificial Intelligence (6-13)	Create a heart pace maker model, code a heart monitor simulator, program a digital car that memorizes where obstacles are and a digital robot that asks people questions and learns from the answers to communicate. We will learn about Watson and other AI tools and their connection with robotics. Brainopolis will enable a laptop per student. Bring your own mouse and flash drive.
DJ Academy (7-13) [only PSA1]	If you like music and technology, this is the camp for you. Learn about beats, phrases, music genres and scratch techniques as you mix and create digital music. Brainopolis will enable a laptop and DJ controllers to work in pairs. Bring your own mouse and headphones. On the last 30 minutes on Friday you will be able to showcase your DJ skills to impress your family and/or friends.
Electri-City (6-11)	Use motors, cables, light bulbs, tools and create a future city. Create a model of a self driven motorized car, a school with a working electric fan and other buildings with electric systems. You will learn about electric circuits, atom components, alternative energy and basics of electricity and magnetism. All

	materials included.
Sponge bob Coding (6-11)	Help Sponge Bob to explore bikini bottom. Make a krabby patty game. Stop Plankton from stealing the secret formula. Join our group of junior programmers to learn variables, coordinates, angles and speed control commands while creating your own computer games. Brainopolis will bring a laptop for you to work in class. Bring a mouse and flash drive.
Building-Bolts for Nuts (7-13)	Join our construction challenge as we use nuts, bolts and tools to create structures and apply principles of mechanics to build mobile toys. This program enhances the use of critical thinking to decide how to optimize resources to complete projects, encourages creativity and the ability to apply divergent thinking while developing motor skills, eye-hand coordination and spatial skills.
