James Singleton Basketball Camps.....	11
James Singleton has played basketball at every level possible. From high school to junior college, a D1 university to 15 years as a PRO with 9 years over seas and 6 years in the NBA.....	11
James played for the LA Clippers in 2005 for 2 years, where he was named rookie of the year having an unheard of streak of 12 straight games with double doubles. He is most locally known as a former Dallas Mavericks, from 2008-2010 , where he became a solid player in their line up, not to mention was able to mentor and grow tremendously as a player under the wings of Dirk Nowitzki , Jason Kidd, Jerry Stackhouse and Jason Terry, which lead James to make the move to the Washington Wizards in 2010 to join a team with the opportunity as a starter and for more playing time. He helped the Wizards improve their season to a winning record from the first game he played with them and for the next 2 years of his career with them. Mixed in through his NBA career were some years playing professional basketball overseas in countries like China, Italy, Spain, Israel and Korea. All where he earned multiple titles such as, player of the year, MVP, and led his teams to multiple championships. ect. He was a powerhouse player no matter where he went.	11
And Finally this past year, 2017, James decided it was time to stay a little closer to home having 2 kids and wife here locally and put his many years of experience, ability to still play, wealth of knowledge, passion for the game and true love for coaching and accept one of many offers to be a coach for the San Antonio Spurs Organization as an assistant coach with their G league team, specializing in player development. James has a very promising career as a	

professional coach ahead of him and if looking forward to this new and exciting adventure on the other side of the court.	11
There isn't a level of basketball that James Singleton doesn't know from experience and that knowledge of how to get from one level to the next is exactly what he bring when he coaches your kids.....	11

How to register:

- Go to psaplano.org and click on MySam Login
 - If you have a MySAM profile; sign on with your user name and password
 - If you do not have a MySam profile; enter your email under New Customer Registration and click the Sign Up button you will then be prompted to create an account.
- Call PSA at 972-208-5437 to register by phone
- Come to PSA1, PSA McKinney or PSA Murphy and register with one of our Customer Service Representatives.

Prior to arriving for your child’s first day of camp you MUST have a CAMPER INFORMATION FORM filled out and on file. Being a licensed day care requires us, by the state of Texas to have this very important form filled out.

FlexiPass

If you need one day, one week or all summer, FlexiPass is the answer to parents’ worries during the summer. FlexiPass is a full day summer camp running from 9am-4pm revolving around sports activities and different games. Serving thousands of kids over the years, PSA has worked FlexiPass into a successful sports camp, but has now expanded into something even more. PSA’s FlexiPass has a new feel to it this year.

We’ve added more variety of activities and events to make our camps well-rounded, and to ensure we are meeting a larger broader range of kids’ needs. We like to think of FlexiPass as a giant clubhouse where kids get to meet new friends and form lasting relationships.

FlexiPass is a camp that makes them want to come back day after day instead of staying home and playing video games or watching TV. From board games to arts and crafts, we will offer many options to go along with indoor sports that keep those heart rates pumping! The sports include basketball, soccer, volleyball, dodgeball, floor hockey, flag football and much, much more. We also will be bringing back “Fun Friday” every week this summer.

This is still the camp you know and love with excellent staff, resources, and facilities, but now have improved to make every day different and exciting. FlexiPass is held indoors at the PSA1, PSA McKinney and PSA Murphy locations with lunch and snacks included in the fee. A ratio of no more than 10 campers to one counselor is maintained at all times. FlexiPass kids are grouped according to age level for safety and fun. Camp runs Monday through Friday, June 4th through August 17th, from 9am-4pm each day. Campers must be 5 years old to be able to attend FlexiPass. **All Buildings will be closed July 4th. PSA Murphy and PSA McKinney will be closed July 26th and July 27th.** PSA1 will be open on July 26th and 27th.

Sports Camp or Flexi AddOns

Michael Johnson Performance (MJP) training at PSA is designed to work with athletes for any sport in the mechanics of acceleration, linear speed, agility, strength, and multi-directional quickness. MJP offers a fun, active environment for young athletes to learn new skills and have a blast while participating in games and instructed activities. All athletes will finish the week as faster, quicker individuals, ready to excel in any sport or recreational activity. Michael Johnson Performance combines tested and proven training methodology with the latest and most innovative techniques to produce the best results possible for young athletes. Add to your Sports Camp or Flexi Pass Day.

Sports Camps

Basketball Camps

We offer three types of Basketball Camps. Please see below which one fits your child. It is very important to place your child in the camp they can feel comfortable in and will have the most success. If you have questions, please feel free to Call Customer Service to discuss. 972.208.5437

Basketball Basic Skills Camp-Ages 5 years old through 12 years old

This camp is for players who are on B and C level Recreational teams or beginners that need to work on their game. These half day camps are led by some of the best school and club coaches in the area. Our structured program is designed to build each player up every day in the most important individual skills which are shooting, rebounding, and dribbling, passing and defensive positioning. In addition to the individual skills, the camp will teach basic team drills that will enable each camper to understand better how he or she can make a difference on their team. Every day we will finish with some sort of game competition that fits the age and skill level. The players will be divided up based on age first, but then we will evaluate if their skill fits that age and if it doesn't, we will move them to a group where they will have the best chance to have a successful and fun camp. We will provide a snack and reversible jersey which is included in the fee. Campers do not need to bring a ball. Make it a full day with a Finish the Day FlexiPass Add On. Please make note on where the camp is held as we will use PSA 1, PSA McKinney and PSA Murphy. Also, we do offer different times during the summer, so please check if it is a morning or afternoon session.

PSA Elite Camp for Entering 4th-6th Graders

This camp is for High B, A or Club/Select type of players who want to learn advanced concepts and strategies to help prepare them for school tryouts. This camp will be limited to the first 32 players who sign up each session.

Some of the top High School Coaches in the area will be running this camp along with elite club coaches who work in our excellent School Tryout Prep Program (STPP). We have a great success rate working with 7th-10th graders helping them make their teams and now we are bringing this program to our younger athletes so they can get a jump on the competition. This camp will focus on teaching team concepts along with advanced skills so the players will have a better understanding of what it takes to make a school team. The concepts that will be taught will include: fast break drills taught at middle schools, multiple defensive sets that include traps in the half court, full and half court pressure defense, motion offense, zone offense, set plays, set inbound plays and last second winning plays. The campers will spend the first hour doing skills work, the second hour working on team concepts and will finish up with at least a 40 minute scrimmage. These players will be pushed so they can understand what they will encounter when they try out for their school team. This camp is NOT for beginners or kids who really don't love the game of basketball. We will provide a snack and reversible jersey which is included in the fee. Campers do not need to bring a ball. Make it a full day with a Finish the Day FlexiPass Add On.

PSA Basketball Team Builder Camp for Entering the 7th-10th Grades

This camp is for High B, A or Club/Select type players who want to learn advanced concepts and strategies to help prepare them for school tryouts. You show up and we build the team!

Some of the top High School Coaches in the area will be running this camp along with elite club coaches who work in our excellent School Tryout Prep Program (STPP). This camp is a branch of that highly successful program that we will run as an intense 5-day camp, encompassing 15 hours of high level training. We have a great success rate working with 7th-10th graders helping them make their school teams. This camp will focus on teaching skills related to the position your child will be playing in school. On top of that we will also set them up to be prepared to run actual examples of school offenses that they might come in contact with. The concepts that will be taught will include: fast break drills taught at

middle and high schools, multiple defensive sets that include traps in the half court, full and half court pressure defense, motion offense, zone offense, set plays, set inbound plays and last second winning plays. The campers will spend the first hour doing skills work, the second hour working on team concepts and will finish up with at least a 40 minute scrimmage. **A new added bonus is we will film one of the scrimmages during the week, and then do a film session the next day so they can see how a coach breaks down a film and reviews with them their play. We will also be able to email you this film to watch with your child.** These players will be pushed so they can understand what they will encounter when they try out for their school team. This camp is NOT for beginners or kids who really don't love the game of basketball. Space is limited so sign up early. We will provide a snack and reversible jersey which is included in the fee. We will only take the first 32 players into the camp each week so sign up early. Campers do not need to bring a ball.

James Singleton Basketball Camps

James Singleton has played basketball at every level possible. From high school to junior college, a D1 university to 15 years as a PRO with 9 years over seas and 6 years in the NBA.

James played for the LA Clippers in 2005 for 2 years, where he was named rookie of the year having an unheard of streak of 12 straight games with double doubles. He is most locally known as a former Dallas Mavericks, from 2008-2010, where he became a solid player in their line up, not to mention was able to mentor and grow tremendously as a player under the wings of Dirk Nowitzki, Jason Kidd, Jerry Stackhouse and Jason Terry, which lead James to make the move to the Washington Wizards in 2010 to join a team with the opportunity as a starter and for more playing time. He helped the Wizards improve their season to a winning record from the first game he played with them and for the next 2 years of his career with them. Mixed in through his NBA career were some years playing professional basketball overseas in countries like China, Italy, Spain, Israel and Korea. All where he earned multiple titles such as, player of the year, MVP, and led his teams to multiple championships. ect. He was a powerhouse player no matter where he went.

And Finally this past year, 2017, James decided it was time to stay a little closer to home having 2 kids and wife here locally and put his many years of experience, ability to still play, wealth of knowledge, passion for the game and true love for coaching and accept one of many offers to be a coach for the San Antonio Spurs Organization as an assistant coach with their G league team, specializing in player development. James has a very promising career as a professional coach ahead of him and if looking forward to this new and exciting adventure on the other side of the court.

There isn't a level of basketball that James Singleton doesn't know from experience and that knowledge of how to get from one level to the next is exactly what he bring when he coaches your kids.

Big Man/Women Camp

What you will learn:

- This camp will teach you how to capitalize on and defend against mismatches, rebound effectively, and get to the free throw line consistently
- This course will also teach you how to finish powerfully in the paint, to control play in the interior, and to be a threat when facing up away from the basket
- Become a floor general and dominant inside presence on the offensive and defensive ends of the court

Emphasis on:

- How to Score in the Paint
- How to Properly Post up
- Back to the Basket moves (Drop Steps, Etc...)
- Short Corner Play
- Midrange Scoring
- How to Rebound Offensively and Defensively
- How to Receive the Ball in the Post
- How to Pass out of the Post
- Physical Performance Training
- And Much More

Camp will include:

- Lunch and a Jersey for all participating in the Camp

August 6-10	PSA2	Grades 7 th -12 th	9:00am-4:00pm	\$300

Baseball/Softball Camps

PSA Baseball Camps are offered for boys and girls who have just completed K – 6th grade (must have completed kindergarten). All aspects of the game will be addressed including fielding, base running, and hitting. Getting out there and hitting and fielding every day for a week is a fantastic way to get ready for baseball playoffs! Snack and t-shirt included in fee. Campers will be dropped off and picked up at **Archgate Park (across the street from PSA 1)** and if you want to add a Finish the Day FlexiPass, your child will be escorted over to PSA 1 where they will finish their day and you can pick them up at PSA1. Please have your child bring all of their equipment plus sunscreen, but they do not need to bring a ball as we will provide them.

Archgate Park

June 4-8	Archgate Park	Grades K-2	8:30am-11:30am	\$132

June 11-15	Archgate Park	Grades 3-6	8:30am-11:30am	\$132

Martial Arts Camp

Martial Arts Basic Skills Camp

PSA Martial Arts is proud to offer our 43 years of experience teaching children. PSA Martial Arts was rated one of the top 200 schools in the country and #1 in Plano by the "Plano Insider". Bottom line, we offer the best Martial Arts Summer Camps!

These innovative and professionally designed camps offer children ages 5 to 14 an exciting and productive summer of fun!!!

Our dedicated and professional staff are focused on providing a safe and positive learning environment for all campers, while allowing them to have a fun and productive summer camp experience. As a Licensed Child Care Center, our summer camp is overseen by our Child Care Director and is staffed with professional Martial Arts instructors, senior staff members, and care givers.

Each day, campers participate in an age appropriate Tae Kwon Do class led by Professional Black Belt Instructors. Campers can expect Improvements in Coordination, Physical Fitness, Focus, and Discipline. The Martial Arts Instruction also offers valuable Self-Defense Skills and Increased Self-Confidence. Campers will participate in the same class curriculum as a full time PSA Martial Arts student, allowing them to continue their martial arts training once the summer is over.

Cheerleading

Cheerleading is a dynamic, fun filled program combining dance, jumps, cheers, and chants. Cheerleaders today are disciplined, accomplished athletes. Cheerleading develops strength, flexibility, spunk and power. It teaches athletes about teamwork, commitment, responsibility and camaraderie. Children will learn the latest in cheerleading all in a safe and fun environment. Camp will include cheerleading motions, cheerleading jumps, cheer and dance routines, tumbling, stunts and conditioning. Snack and t-shirt are included in the fee. Add a Finish the Day FlexiPass to make it a full day. Please make note on where the camp is held as we will use PSA 1, PSA Murphy and PSA McKinney. Also, we do offer different times during the summer, so please check if it is a morning or afternoon session.

Lego Mindstorm Academy 1

Our entry level robotics course is designed for kids to explore and experience the basics of robotics. Using Lego Mindstorms, students will learn how to construct and program robots to perform simple task. We will begin by familiarizing the students with the items that are important to the structure of the robots. Then, we will attach motors and wheels that allow our machine to become mobile. Finally, we will learn how to program our creations to carry out specific functions, such as traveling measured distances and maneuvering. This course lends itself to multiple levels of rigor and can be tailored to fit a wide range of learners. Students work in teams of two or three and gain confidence through hands-on learning. Grades 2nd and up are welcome to join.

Add a Finish the Day FlexiPass to make it a full day. Please make note we do offer different times during the summer so please check if it is a morning or afternoon session.

Lego Mindstorm Academy 2

This class is designed for students with an understanding of robotics, or quick learners. There will be a focus on learning to build and program robots to perform specific functions using the Lego Mindstorms NXT software. The sky's the limit for what each young engineer can create. Using sensors, motors, and gears, students can build and program to do human-like tasks such as golfing, transporting, baseball, soccer, playing music and processing information. Students could take this course multiple times and still find themselves faced with new challenges. Learners will exercise their critical thinking skills as they problem solve, analyze, and reflect to complete challenges. We will provide a snack each day which is included in your fee. Add a Finish the Day FlexiPass to make it a full day. Please make note we do offer different times during the summer so please check if it is a morning or afternoon session.

Brainopolis Stem Camps

Drones and Aviation (8-13) [only PSA1]

Sore the skies in this aviation adventure. You will participate in missions to fly drones, create take home models of flying objects such as a motorized helicopter, plane, parachute, UFO and spaceship. You will learn about FAA rules, drone flying safety, aerodynamics, self driven planes and other inventions that will impact the future of aviation. Brainopolis will provide the safety equipment and materials. For the safety of the kids, unruly and unsafe behavior will not be tolerated.

June 11-15	PSA Murphy	Ages 6-11	8:30-11:30am	\$145
July 9-13	PSA Murphy	Ages 6-11	8:30-11:30am	\$145
Aug 6-10	PSA Murphy	Ages 6-11	1:00-4:00pm	\$145

Online Olympics (6-11)

If you like sports and computers, this is the class for you. Use a programming tool to create your own Olympic games such as soccer goali, swimming torpedo, ice skating and canoe sprint. You will learn how to use the editor to create sprites and backdrops for your games, user interaction commands and routines to manage scores. Become a gold medalist coder! Brainopolis will enable a laptop per student. Bring your own mouse and flash drive.

July 30—August 3	PSA Murphy	Ages 6-11	1:00-4:00pm	\$145

Explosions and Defense (6-11)

This is a strategy against creepers and zombies. Create models of defense artifacts, combine ingredients to simulate explosions and chemical reactions that produce gases and foam. Use electric explosive simulators to attack the enemy. You will learn about exothermic reactions, structures, stability, balance and simple machines. Only you can help us in this explosive quest against creepers 😊

YouthTech^{Inc.}

Youth Tech

Youth Tech Inc. is an interactive computer camp that focuses on providing enrichment opportunities to students in the world of computers. With a caring environment at the core of camp values, Youth Tech strives to create a positive

learning community that encourages creativity, fun and academic excellence. For more information about Youth Tech Inc. please visit our web site at www.youthtechinc.com- **All Camps are 4 days (Mon-Thurs)**

Video Game Design Ages 10-14

This course provides students with a fun interactive look at the world of video game design and development. Students enrolled in this camp will learn the basics of video game design and produce several different interactive video games to share with their friends and family.

June 11-14	Murphy	Ages 10-14	1:00-4:00pm	\$185.00
July 9-12	PSA1	Ages 10-14	1:00-4:00pm	\$185.00
June 18-21	McKinney	Ages 10-14	1:00-4:00 pm	\$185.00

Animation-NEW Ages 9-14

In this class students will learn the basics of animation and digital design. Students who enjoy going to various sites to see fun interactive animations will love this course. This class will utilize award winning animation software. Students will create fun interactive animations that they can share with the world.

June 11-14	Murphy	Ages 9-14	8:30-11:30 am	\$175.00
Aug. 6-9	PSA1	Ages 9-14	1:00-4:00 pm	\$175.00

Graphic Design-NEW Ages 9-14

This session will cover the basics of digital photography as well as key concepts in the world of digital imaging. Students enrolled edit images and manipulate images using Adobe's powerful image editing software Adobe PhotoShop to create the image that they envision. Put yourself on the cover of a magazine or make create visual art worth of hanging in a museum.

July 23-26	PSA1	Ages 9-14	8:30-11:30 am	\$175.00
------------	------	-----------	---------------	----------

Application Design-NEW Ages 9-14

This class offers students a hands-on look at the world of application design and development. This interactive course will instruct students about the design and development of applications. Students will design their own app, which can be shared with friends and family members with an Apple or Android device.

July 23-26	PSA1	Ages 9-14	1:00-4:00	\$175.00
------------	------	-----------	-----------	----------

iCode-NEW Ages 6-12

This course offers students a fun, interactive look at coding. Students will create virtual apps and write their own programs that they can share with friends and family. This course makes learning to code fun and explores problem

solving and programming logic. Students will have access to their accounts so the learning does not end at the door.

**Students should be able to read prior to taking this course.

June 18-21	McKinney	Ages 6-12	8:30-11:30 am	\$175.00
July 16-19	Murphy	Ages 6-12	1:00-4:00 pm	\$175.00

iGame Creators-NEW Age 6-10

Want to create video games? This is an introductory course for students who want learn to build simple video games. This course combines the art of video game design and animation to create interactive characters that fly around the screen. Amaze your friends and family with your fun interactive games.

July 16-19	Murphy	Age 6-10	8:30-11:30 am	\$175.00
Aug. 6-9	PSA1	Age 6-10	8:30-11:30 am	\$175.00

Movie Makers-NEW Ages 9-14

This hands-on, interactive course will instruct students on the world of digital video design and production. Students will film, direct and edit their own digital video creations. Students enrolled in this course amaze their peers with green screen and special effects work.

July 9-12	PSA1	Ages 9-14	8:30-12:00	\$175.00
-----------	------	-----------	------------	----------

SCIENCE CAMP

In this class campers will get hands on experience in Science projects. From Kinetic Loco motor skills to Chemistry, campers will get to have fun learning some of the basic Science facts. Five days of action packed fun. Snack and t-shirt are included in the fee. Add a Finish the Day FlexiPass to make it a full day.

Pitch Perfect Camp

Camp will concentrate on the fun, interactive learning of music as well as the art of performing. Music and performing helps develop children into more successful and well-rounded individuals. Children will have the opportunity to learn, practice and sing fun music as well as scales, warm-ups and choreography. This camp will focus on the wealth of enjoyment that music has to offer as well as supporting each other as musicians and performers to offer a great musical experience. Performance is on the last day. Snack and t-shirt included in the fee. Add a Finish the Day FlexiPass to make it a full day.

Chess Summer Camps

Enrichment Chess Summer PM Camp

Join us for a fun week of chess this summer! Students will expand their repertoire of strategies and tactics while improving their position during the game. There will also be opportunities to play Giant Chess and an in-class tournament at the end of the week for a chance to play for trophies. All levels of experience are welcome. Group lessons and chances for personal coaching also provided. Ages 6-13.

PLEASE NOTE: Each student's skill level will be evaluated on the first day of class and he or she will be placed in a group with other students at their level. Students may move to a different group depending on their development as chess players during the course of the workshop.

PSA CAMP POLICIES

PSA is accredited by the state of Texas as a licensed child care facility and must follow strict standards before allowing any child into our camps. Each child needs to be registered in MySam, and have filled out all online forms, specifically the “CAMPER INFORMATION FORM”, before they can attend camp. PSA Camps operate June, July and August; Winter Break and Spring Break. Before Care Opens at 7:30am/After Care Ends at 6pm
Camps are operated at various times between 8:30am-4pm.

Before & After Care Opens at 7:30am and Ends at 6pm

Appropriate Clothes for Camps

Please wear appropriate clothing for an active camp day. We require tennis shoes for court play; no flip flops or sandals. If your child does not wear appropriate shoes, we will have to call you to bring some to PSA, as we cannot let them play activities due to the fact they could hurt themselves. Jeans are not something we recommend for play during the camp day.

Check In, Check Out and Late Pick-Up Policies

1. Before Care check in will not start prior to 7:30 am as we have to assure the facility is prepared to receive children.
2. You are expected to pick your child up no later than 6:00 pm from After Care as PSA is a recreational game facility starting at that time.
3. Parents are given a 15 MINUTE GRACE PERIOD to pick up kids from camp.
4. After that, a \$1 a minute late fee will be charged, payable to PSA.
5. Camp check in will start no earlier than 15 minutes prior to the stated time in the camp brochure for your child’s camp.
6. Add-On 1/2 day and Before and After care passes can be purchased to extend your child’s camp day at any time, so if you find yourself running late feel, free to call PSA and we can help you out.
7. We highly recommend an adult bring the child into PSA for the morning check-in.
8. There will be computer stations set up for all camp check-ins during the summer.
9. If someone other than the child’s parent is responsible for pickup, PSA requires a note from the parent with that person’s name.
10. PSA will not release a child to an unapproved person.
11. No child will be allowed to walk out of PSA to a waiting car.
12. Supervisors and staff will stop children who are seen walking out without a parent to make sure they are leaving with one. This is for their safety.

Communication

- PSA communicates mostly through email
- In emergency cases we will make phone calls
- Notices are also posted on the Bulletin Board inside the Gym

Discipline and Guidance Practices

Our understanding is that children participating in competitive situations will not always react in the proper way. We look upon ourselves as teachers and mentors to these kids and will work with them to teach them how to better react to certain situations. It is up to the camp director to decide if or when a child should be removed from camp for disciplinary actions.

The campers must respect the counselors and other campers at all times. We will deal with indiscretions on a one-on-one basis. Actions that would be deemed removable offenses from camp on a temporary or permanent basis may include: hitting, biting, bullying, wandering away from their group without permission or not listening to counselors or staff on a continual basis.

1. Discipline must be individualized and consistent for each child, appropriate to the child's level of understanding, and directed toward teaching the child acceptable behavior and self-control.
2. A counselor may only use positive methods of discipline and guidance that encourage self-esteem, self-control, and self-direction, which include at least the following:
 - a. Using praise and encouragement of good behavior instead of focusing only upon unacceptable behavior
 - b. Reminding a child of behavior expectations daily by using clear, positive statements
 - c. Redirecting behavior using positive statements
 - d. Using brief, supervised separation or time out from the group when appropriate for the child's age and development, which is limited to no more than one minute per year of the child's age.
 - e. There must be no harsh, cruel, or unusual treatment of any child.

The following types of discipline and guidance are prohibited:

1. Corporal punishment or threats of corporal punishment
2. Punishment associated with food, naps, or toilet training
3. Pinching, shaking, or biting a child
4. Hitting a child with a hand or instrument
5. Putting anything in or on a child's mouth
6. Humiliating, ridiculing, rejecting, or yelling at a child
7. Subjecting a child to harsh, abusive, or profane language
8. Placing a child in a locked or dark room, bathroom, or closet with the door closed; and
9. Requiring a child to remain silent or inactive for inappropriately long periods of time for the child's age.

Texas Administrative Code, Title 40, Chapters 746 and 747, Subchapters L, Discipline and Guidance

Electronic Devices

We do not recommend or encourage kids to bring electronic devices to camp. With that said, we do understand that many of these children carry cell phones today as a way to communicate with parents when they are not with them. We also realize that these mobile devices also serve as music players and game devices also so they can keep a child's attention for a long period of time. Realizing this we ask that you talk with your child about keeping their device in a secure bag if they feel they must have it with them. We also will only allow these items out during certain parts of the camp day would include before camp begins, rest period and after camp ends while they wait for a parent or guardian to pick them up. The idea of being at our camp is to get away from the electronic devices and to just be kids playing with other kids. We understand the kids enjoy visiting with others about games they have and it is a social ice breaker, but we require the kids to be responsible for their gaming system. PSA will not assume any liability for lost or damaged items. We do recommend once again bringing some sort of carry bag to place any personal items in and to clearly have their name marked on the item.

Food and Nutrition

PSA Provides:

1. A light breakfast is provided to campers registered in the Before Care from 7:30am to 8:30am.
2. Morning snacks are provided in morning camps and in the Finish the Day FlexiPass
3. Lunch is provided to campers that are in Flexi Pass or who have Add on FlexiPass to a ½ day camp.
4. Afternoon Snack for campers that are in a 1:00pm-4:00pm, ½ day camp or FlexiPass.

Menus will be posted daily. We follow the State of Texas School-Aged Program guidelines. Food allergies and religious eating restrictions will be addressed on an individual basis and will require a signed statement from the parents, and an Emergency Plan from the child's doctor. There is to be no outside food or drinks brought into PSA.

Health of the Child

PSA would prefer not to dispense medication. In order for PSA to dispense any medication to a child, parents must complete a form before leaving your child for the day. The form must be clear on the dosage and the time the medication is to be dispensed. It is the parent's responsibility to retrieve the remaining medicine on Friday. All medications left on Friday will be thrown away. If your child is not feeling well, please do not bring them to camp. To protect children from communicable illnesses, campers should be symptom-free for 24 hours before returning to camp.

These include:

- Fever over 100.4 degrees. Campers must be fever free for 24 hours without medication before re-entry.
- Undetermined rash and fever
- Undiagnosed scaly patches
- Nausea, vomiting or diarrhea
- Red, draining eyes
- Intense itching with signs and symptoms of secondary infection
- Open, draining lesions
- Lice, nits on shaft of hair, until treatment is verified

If a child is injured during the camp day, we will treat to the best of our ability within reason. If it is something that needs more than rest or a Band-Aid, the parent or guardian will be contacted as soon as possible. Please make sure to provide emergency contact numbers on your application. In serious injuries, an ambulance will be called. If a child becomes sick during the camp day, we will make every effort to see if rest can help the situation. If any of the above symptoms are present, we will have to contact the parent or guardian and isolate the child from camp.

Immunization Records

The State of Texas requires PSA to have a copy of children's TB test and immunizations. 744.613.

If your child attends school and they have the copies on site, you may sign the waiver on your forms,

- a) You are up to date
- b) School Name, address and phone number.

Refund Policy

Two weeks prior to the start date of the camp – 75% credit to your MySAM account

Within two weeks of the start date of the camp – No refunds, no exceptions (includes injuries, schedule changes, etc...).

FlexiPass Camp – No refunds, no exceptions.

Transportation, Water Activities, Field Trips and Animals

PSA does not normally provide transportation, water activities, and field trips or have animals. If the case arises, we will require a signed permission slip from the parent. The parent would have all details before occurrence.

Parents Have the Right to:

View Emergency Preparedness Plan

Visit PSA any time during hours of operation without prior approval to observe your child

View the Minimum Standards and the operation's most recent licensing inspection report

Contact: PSA Program Administrator: Craig Sklar- csklar@psaplano.org

PSA Senior Director of Sports: Teresa Federspiel- trfed@psaplano.org

DFPS Licensing Office: 469-229-6900

To Report Suspected Child Abuse: 1-800-252-5400

Texas law requires caregivers to report suspected child abuse or neglect to the Texas Department of Family and Protective Services or law enforcement.
