

Rec League Policy:

- To keep our Recreational league in its purest form, PSA does not allow any Paid coaches, club programs, any teams that are formed via Tryouts, or that offer additional paid skills training into the Recreational leagues.
- Paid coaches or Club programs are defined by a player on a team providing monetarily IN ANY FORM to the coach or club. This includes but is not limited to paid skills training, paid coaching of any type, membership fees, and/or dues. The coach cannot be paid by the club to coach in that league.
- Paid coaches and Clubs may play in the PSA Select League which now starts at the 3rd grade.
- Absolutely, no Rec Age group will allow teams with paid coaches or a club as defined above.
- If a Paid Select Coach from the Select League also wants to coach a Rec team as a volunteer, then the coach will need to sign a Volunteer Coach Waiver, which allows the Select Coach to coach in the Rec league. In no case, will that team be able to wear the colors or name of the club. We do not anticipate there will be any waivers as they will be difficult to obtain. This is a mandatory requirement and any failure to comply can result in a suspension from all PSA.
- Paid coaches, club programs, any teams that are formed via Tryouts, or that offer additional paid skills training are not allowed in the Rec League in grades KG-12nd. This year's 2nd Grade Select teams will be allowed to play up in the 3rd grade select divisions through August 2018.
- Select will be available for Grades 3 to High School. There will be no Select offering for grades K through 2nd. Our intention is to never offer select in those grades.
- Penalty for those who break the rules of the policy:
 - First Offense:
 - Suspend the coach for the remainder of the season in all PSA sports
 - Immediately move team or teams to select league in current season or remove the team from the PSA Rec league (K-2)
 - Second Offense:
 - Coach Suspended is suspended indefinitely from all PSA sports.
 - Teams can be moved to select league or can be removed from the league if they do not have and assistant coach or cannot find another coach.
- Effective Winter 2017/2018

Please keep in mind we offer D-Divisions for our Select league. This D-Division is solely for Developmental Select/Club teams, who have recently formed with players whom are developing into more competitive players. This D-Division will also be the division for teams previously in Rec, but do not qualify per the new Rec policy.

This policy is not negotiable and we expect all our teams to comply in order to keep the two leagues in their purest forms.
