FlexiPass

If you need one day, one week or all summer, FlexiPass is the answer to parents’ worries during the summer. FlexiPass is a full day summer camp running from 9am-4pm revolving around sports activities and different games. Serving thousands of kids over the years, PSA has worked FlexiPass into a successful sports camp, but has now expanded into something even more. PSA’s FlexiPass has a new feel to it this year.

We’ve added more variety of activities and events to make our camps well-rounded, and to ensure we are meeting a larger broader range of kids’ needs. We like to think of FlexiPass as a giant clubhouse where kids get to meet new friends and form lasting relationships.

FlexiPass is a camp that makes them want to come back day after day instead of staying home and playing video games or watching TV. From board games to arts and crafts, we will offer many options to go along with indoor sports that keep those heart rates pumping! The sports include basketball, soccer, volleyball, dodgeball, floor hockey, flag football and much, much more. We also will be bringing back “Fun Friday” every week this summer.

This is still the camp you know and love with excellent staff, resources, and facilities, but now have improved to make every day different and exciting. FlexiPass is held indoors at the PSA1, PSA McKinney and PSA Murphy locations with lunch and snacks included in the fee. A ratio of no more than 10 campers to one counselor is maintained at all times. FlexiPass kids are grouped according to age level for safety and fun. Camp runs Monday through Friday, May 28th- through August 14th, from 9am-4pm each day. Campers must be 5 years old to be able to attend FlexiPass. **All Buildings will be closed July 4th. PSA Murphy and PSA McKinney will be closed July 5th, July 25th and July 26th.** PSA1 will be open on July 5th, July 25th and 26th.

Sports Camps

Basketball Camps

We offer three types of Basketball Camps. Please see below which one fits your child. It is very important to place your child in the camp they can feel comfortable in and will have the most success. If you have questions, please feel free to Call Customer Service to discuss. 972.208.5437

Basic Basketball Camp

Basketball Camp for Beginners to Elite Players - Age 5-13- This option is offered at PSA 1, PSA Murphy and PSA McKinney.

These half day camps will develop and improve basketball skills, including shooting, rebounding, dribbling, passing, and team concepts. The players will be broken up based on the criteria that takes into account age, skill level and sometimes if possible, we will have boys and girls split up if our numbers allow. Most of the time the boys and girls will play together as we use the recreation center approach, whoever shows up we divide up and play! Most of our Prep Program coaches are used in this camp and will teach the kids what they need to start on their journey to achieve the highest level of success in basketball. A snack is included in the fee. Campers do not need to bring a ball or a water bottle. Make it a full day with a Finish the Day FlexiPass Add On.

PSA Elite Camp for Entering 4th-6th Graders

This camp is for High B, A or Club/Select type players who want to learn advanced concepts and strategies to help prepare them for school tryouts. This camp will be limited to the first 32 players who sign up each session.

Some of the top High School Coaches in the area will be running this camp along with elite club coaches who work in our excellent School Tryout Prep Program (STPP). We have a great success rate working with 7th-10th graders helping them make their teams and now we are bringing this program to our younger athletes so they can get a jump on the competition. This camp will focus on teaching team concepts along with advanced skills so the players will have a better understanding

of what it takes to make a school team. The concepts that will be taught will include: fast break drills taught at middle schools, multiple defensive sets that include traps in the half court, full and half court pressure defense, motion offense, zone offense, set plays, set inbound plays and last second winning plays. The campers will spend the first hour doing skills work, the second hour working on team concepts and will finish up with at least a 40-minute scrimmage. These players will be pushed so they can understand what they will encounter when they try out for their school team. This camp is NOT for beginners or kids who really don't love the game of basketball. We will provide a snack and reversible jersey which is included in the fee. Campers do not need to bring a ball. Make it a full day with a Finish the Day FlexiPass Add On.

PSA Basketball Team Builder Camp for Entering the 7th-10th Grades

This camp is for High B, A or Club/Select type players who want to learn advanced concepts and strategies to help prepare them for school tryouts. You show up and we build the team!

Some of the top High School Coaches in the area will be running this camp along with elite club coaches who work in our excellent School Tryout Prep Program (STPP). This camp is a branch of that highly successful program that we will run as an intense 5-day camp, encompassing 15 hours of high level training. We have a great success rate working with 7th-10th graders helping them make their school teams. This camp will focus on teaching skills related to the position your child will be playing in school. On top of that we will also set them up to be prepared to run actual examples of school offenses that they might come in contact with. The concepts that will be taught will include: fast break drills taught at middle and high schools, multiple defensive sets that include traps in the half court, full and half court pressure defense, motion offense, zone offense, set plays, set inbound plays and last second winning plays. The campers will spend the first hour doing skills work, the second hour working on team concepts and will finish up with at least a 40 minute scrimmage. **A new added bonus is we will film one of the scrimmages during the week, and then do a film session the next day so they can see how a coach breaks down a film and reviews with them their play. We will also be able to email you this film to watch with your child.** These players will be pushed so they can understand what they will encounter when they try out for their school team. This camp is NOT for beginners or kids who really don't love the game of basketball. Space is limited so sign up early. We will provide a snack and reversible jersey which is included in the fee. We will only take the first 32 players into the camp each week so sign up early. Campers do not need to bring a ball.

James Singleton Basketball Camps

James Singleton has played basketball at every level possible. From high school to junior college, a D1 university to 15 years as a PRO with 9 years overseas and 6 years in the NBA.

James played 2 years for the LA Clippers in the 2005 and 2006 seasons, where he was named Rookie of the Year having an unheard-of streak of 12 straight games with double doubles. He is most locally known as a former Dallas Mavericks, from 2008-2010, where he became a solid player in their lineup, not to mention was able to mentor and grow tremendously as a player under the wings of Dirk Nowitzki , Jason Kidd, Jerry Stackhouse and Jason Terry, which led James to make the move to the Washington Wizards in 2010 to join a team with the opportunity as a starter and for more playing time. He helped the Wizards improve their season to a winning record from the first game he played with them and for the next 2 years of his career with them. Mixed in through his NBA career were some years playing professional basketball overseas in countries like China, Italy, Spain, Israel, and Korea. While overseas, he earned multiple titles such as, player of the year, MVP, and led his teams to multiple championships. He was a powerhouse player no matter where he went.

In 2017, James decided it was time to stay a little closer to home with his wife and 2 children and put his many years of experience, wealth of knowledge, passion for the game, and true love for coaching to work in our community. James also accepted an offer to coach for the San Antonio Spurs G-League affiliate, the Austin Toros, as a player development specialist, one of many offers he received. Coach Singleton has a promising future as a professional coach and is looking forward to working with athletes of all ages

James Singleton has experienced every level of basketball. The knowledge of how to get from one level to the next is exactly what he brings when he coaches your kids.

Lego Mindstorm Academy 1

Our entry level robotics course is designed for kids to explore and experience the basics of robotics. Using Lego Mindstorms, students will learn how to construct and program robots to perform simple tasks. We will begin by familiarizing the students with the items that are important to the structure of the robots. Then, we will attach motors and wheels that allow our machine to become mobile. Finally, we will learn how to program our creations to carry out specific functions, such as traveling measured distances and maneuvering. This course lends itself to multiple levels of rigor and can be tailored to fit a wide range of learners. Students work in teams of two or three and gain confidence through hands-on learning. Grades 2nd and up are welcome to join. Snack and t-shirt included in the fee. Add a Finish the Day FlexiPass to make it a full day.

Lego Mindstorm Academy 2

This class is designed for students with an understanding of robotics, or quick learners. There will be a focus on learning to build and program robots to perform specific functions using the Lego Mindstorms NXT software. The sky's the limit for what each young engineer can create. Using sensors, motors, and gears, students can build and program robots to do human-like tasks such as golfing, transporting, baseball, soccer, playing music and processing information. Students could take this course multiple times and still find themselves faced with new challenges. Learners will exercise their critical thinking skills as they problem solve, analyze, and reflect to complete challenges. Snack and t-shirt included in the fee. Add a Finish the Day FlexiPass to make it a full day.

PSA CAMP POLICIES

PSA is accredited by the state of Texas as a licensed child care facility and must follow strict standards before allowing any child into our camps. Each child needs to be registered in DASH, and have filled out all online forms, specifically the “CAMPER INFORMATION FORM”, before they can attend camp. PSA Camps operate June, July and August; Winter Break and Spring Break.

Camps are operated at various times between 8:30am-4pm.

Before & After Care Opens at 7:30am and Ends at 6pm

Appropriate Clothes for Camps

Please wear appropriate clothing for an active camp day. We require tennis shoes for court play; no flip flops or sandals. If your child does not wear appropriate shoes, we will have to call you to bring some to PSA, as we cannot let them play activities due to the fact they could hurt themselves. Jeans are not something we recommend for play during the camp day.

Check-In, Check Out and Late Pick-Up Policies

1. Before Care check-in will not start prior to 7:30 am as we must assure the facility is prepared to receive children.
2. You are expected to pick your child up no later than 6:00 pm from After Care as PSA is a recreational game facility starting at that time.
3. Parents are given a 15 MINUTE GRACE PERIOD to pick up kids from camp.
4. After that, a \$1 a minute late, fee will be charged, payable to PSA.
5. Camp check-in will start no earlier than 15 minutes prior to the stated time in the camp brochure for your child’s camp.
6. Add-On 1/2 day and Before and After care passes can be purchased to extend your child’s camp day at any time, so if you find yourself running late, feel, free to call PSA and we can help you out.
7. We highly recommend an adult bring the child into PSA for the morning check-in.
8. There will be computer stations set up for all camp check-ins during the summer.
9. If someone other than the child’s parent is responsible for pickup, PSA requires a note from the parent with that person’s name.
10. PSA will not release a child to an unapproved person.
11. No child will be allowed to walk out of PSA to a waiting car.
12. Supervisors and staff will stop children who are seen walking out without a parent to make sure they are leaving with one. This is for their safety.

Communication

- PSA communicates mostly through email
- In case of an emergency, we will make phone calls

Discipline and Guidance Practices

Our understanding is that children participating in competitive situations will not always react in the proper way. We look upon ourselves as teachers and mentors to these kids and will work with them to teach them how to better react to certain situations. It is up to the camp director to decide if or when a child should be removed from camp for disciplinary actions. The campers must respect the counselors and other campers at all times. We will deal with indiscretions on a one-on-one basis. Actions that would be deemed removable offenses from camp on a temporary or permanent basis may include:

hitting, biting, bullying, wandering away from their group without permission or not listening to counselors or staff on a continual basis.

1. Discipline must be individualized and consistent for each child, appropriate to the child's level of understanding, and directed toward teaching the child acceptable behavior and self-control.
2. A counselor may only use positive methods of discipline and guidance that encourage self-esteem, self-control, and self-direction, which include at least the following:
 - a. Using praise and encouragement of good behavior instead of focusing only upon unacceptable behavior
 - b. Reminding a child of behavior expectations daily by using clear, positive statements
 - c. Redirecting behavior using positive statements
 - d. Using brief, supervised separation or time out from the group when appropriate for the child's age and development, which is limited to no more than one minute per year of the child's age.
 - e. There must be no harsh, cruel, or unusual treatment of any child.

The following types of discipline and guidance are prohibited:

1. Corporal punishment or threats of corporal punishment
2. Punishment associated with food, naps, or toilet training
3. Pinching, shaking, or biting a child
4. Hitting a child with a hand or instrument
5. Putting anything in or on a child's mouth
6. Humiliating, ridiculing, rejecting, or yelling at a child
7. Subjecting a child to harsh, abusive, or profane language
8. Placing a child in a locked or dark room, bathroom, or closet with the door closed; and
9. Requiring a child to remain silent or inactive for inappropriately long periods of time for the child's age.

Electronic Devices

We do not recommend or encourage kids to bring electronic devices to camp. With that said, we do understand that many of these children carry cell phones today as a way to communicate with parents when they are not with them. We also realize that these mobile devices also serve as music players and game devices and they can keep a child's attention for a long period of time. Realizing this we ask that you talk with your child about keeping their device in a secure bag if they feel they must have it with them. We also will only allow these items out during certain parts of the camp day which would include; before camp begins, rest period and after camp ends while they wait for a parent or guardian to pick them up. The idea of being at our camp is to get away from the electronic devices and to just be kids playing with other kids. We understand the kids enjoy visiting with others about games they have and it is a social ice breaker, but we require the kids to be responsible for their gaming system. PSA will not assume any liability for lost or damaged items. We do recommend once again bringing some sort of carry bag to place any personal items in and to clearly have their name marked on the item.

Food and Nutrition

PSA Provides:

1. A light breakfast for campers registered in the Before Care is offered from 7:30am to 8:30am.
2. Morning snacks in morning camps and in the Finish the Day FlexiPass
3. Lunch to campers that are in Flexi Pass or who have Finish the Day FlexiPass to a ½ day camp.
4. Afternoon Snack for campers that are in a 1:00pm-4:00pm, ½ day camp or FlexiPass.

5. Lunch Care is required for campers attending 2 different camps in a day. Lunch care is the bridge between morning and afternoon camps and includes lunch.

Menus will be posted daily. We follow the State of Texas School-Aged Program guidelines.

Food allergies and religious eating restrictions will be addressed on an individual basis and will require a signed statement from the parents, and an Emergency Plan from the child's doctor. There is to be no outside food or drinks brought into PSA.

Health of the Child

PSA would prefer not to dispense medication. In order for PSA to dispense any medication to a child, parents must complete a form before leaving your child for the day. The form must be clear on the dosage and the time the medication is to be dispensed. It is the parent's responsibility to retrieve the remaining medicine on Friday. All medications left on Friday will be thrown away. If your child is not feeling well, please do not bring them to camp. To protect children from communicable illnesses, campers should be symptom-free for 24 hours before returning to camp.

These include:

- Fever over 100.4 degrees. Campers must be fever free for 24 hours without medication before re-entry.
- Undetermined rash and fever
- Undiagnosed scaly patches
- Nausea, vomiting or diarrhea
- Red, draining eyes
- Intense itching with signs and symptoms of secondary infection
- Open, draining lesions
- Lice, nits on shaft of hair, until treatment is verified

If a child is injured during the camp day, we will treat to the best of our ability within reason. If it is something that needs more than rest or a Band-Aid, the parent or guardian will be contacted as soon as possible. Please make sure to provide emergency contact numbers on your application. In serious injuries, an ambulance will be called. If a child becomes sick during the camp day, we will make every effort to see if rest can help the situation. If any of the above symptoms are present, we will have to contact the parent or guardian and isolate the child from camp.

Immunization Records

The State of Texas requires PSA to have a copy of children's TB test and immunizations. 744.613.

If your child attends school and they have the copies on site, you may sign the waiver on your forms,

a) You are up to date

b) School Name, address and phone number.

Refund Policy

Two weeks prior to the start date of the camp – 75% credit to your MySAM account

Within two weeks of the start date of the camp – No refunds, no exceptions (includes injuries, schedule changes, etc...).

FlexiPass Camp – No refunds, no exceptions.

Transportation, Water Activities, Field Trips and Animals

PSA does not normally provide transportation, water activities, and field trips or have animals. If the case arises, we will require a signed permission slip from the parent. The parent would have all details before occurrence.
