## James Singleton Basketball Camps

James Singleton has played basketball at every level possible. From high school to junior college, a D1 university to 15 years as a PRO with 9 years overseas and 6 years in the NBA.

James played for the LA Clippers in 2005 for 2 years. There he started off his NBA career as one of the NBA's top 5 rookie of the year candidates having an unheard-of streak of 12 straight games with double doubles. He is most locally known as a former Dallas Maverick, from 2008-2010, where he became a solid player in their lineup, not to mention was able to mentor and grow tremendously as a player under the wings of Dirk Nowitzki , Jason Kidd, Jerry Stackhouse and Jason Terry, which led James to make the move to the Washington Wizards in 2010 to join a team with the opportunity as a starter and for more playing time. He helped the Wizards improve their season to a winning record from the first game he played with them and for the next 2 years of his career with them. Mixed in through his NBA career were some years playing professional basketball overseas in countries like China, Italy, Spain, Israel and Korea. All where he earned multiple titles such as, defensive player of the year, MVP, and led his teams to multiple championships. etc. He was a powerhouse player no matter where he went.

And finally, with James having a new family of his own he decided to retire in 2017. James decided it was time to stay a little closer to home having 3 kids and wife here locally and put his many years of experience, ability to still play, wealth of knowledge, passion for the game and true love for coaching and accept one of many offers to be a coach for the San Antonio Spurs Organization as an assistant coach with their G league team, specializing in player development. James has a very promising career as a professional coach ahead of him and if looking forward to this new and exciting adventure on the other side of the court. In his first year as a professional coach James's ability to coach, relate and bond with his player-helped lead them to G-league Championship.

James Singleton has experienced every level of basketball. The knowledge of how to get from one level to the next is exactly what he brings when he coaches your kids.

### **PSA Elite Camp for Entering 3rd-6<sup>th</sup> Grade**

**This camp is for High B, A or Club/Select type players who want to learn advanced concepts and strategies to help prepare them for school tryouts. This camp will be limited to the first 32 players who sign up each session.** Some of the top High School Coaches in the area will be running this camp along with elite club coaches who work in our excellent School Tryout Prep Program. We have a great success rate working with 7<sup>th</sup>-10<sup>th</sup> graders helping them make their teams. Now we are bringing this program to our younger athletes so they can get a jump on the competition. This camp will focus on teaching team concepts along with advanced skills so the players will have a better understanding of what it takes to make a school team. The concepts taught will include: fast break drills taught at middle schools, multiple defensive sets that include traps in the half court, full and half court pressure defense, motion offense, zone offense, set plays, set inbound plays and last second winning plays. The campers will spend the first hour doing skills work, the second hour working on team concepts and will finish up with at least a 40-minute scrimmage. These players will be pushed so they can understand what they will encounter when they try out for their school team. This camp is NOT for beginners or kids who really do not love the game of basketball. We will provide a snack and reversible jersey which is included in the fee. Campers do not need to bring a ball. **Maximum of 24 kids in each camp**
