## FlexiPass

FlexiPass is a place where kids can hang out and play different sports or take part in non-athletic activities that they can do with others. No worries about having enough kids to play any games as there are always enough at FlexiPass. Kids will get the opportunity to play basketball, futsal, volleyball, floor hockey, pillow polo and kickball. We also offer some of their favorite P.E. games from school including scooters they can race with. We have down time after lunch \ when they need a break they can play board games, watch a short video that are age appropriate and do some arts and crafts. Each activity last between 30-45 minutes so your child will have the opportunity to do many of the things we listed. FlexiPass includes lunch and snack. Camp runs Monday through Friday, May 28<sup>th</sup>- through August 14<sup>th</sup>, from 9am-4pm

each day. Campers must be 5 to 14 years old to be able to attend FlexiPass. **PSA McKinney will be closed July 23rd and July 24th.**

## Sport Camps

We offer three types of Basketball Camps. Please see below which one fits your child. It is very important to place your child in the camp they feel comfortable in and will have the most success. If you have questions, please feel free to Call Customer Service to discuss. 972.208.5437

### Basketball Camps

#### *Basic Basketball Camp*

**Basketball Camp for Beginners to Intermediate Players - Age 5-10- This option is offered at PSA 1, PSA Murphy and PSA McKinney.**

These half day camps will develop and improve basketball skills, including shooting, rebounding, dribbling, passing, and team concepts. The players will be broken up based on the criteria that takes into account age, skill level and sometimes if possible, we will have boys and girls split up if our numbers allow. Most of the time the boys and girls will play together as we use the recreation center approach, whoever shows up we divide up and play! Most of our Prep Program coaches are used in this camp and will teach the kids what they need to start on their journey to achieve the highest level of success in basketball. A snack is included in the fee. Campers do not need to bring a ball or a water bottle. Make it a full day with a Finish the Day FlexiPass Add On.

**5 Day Camp Price is \$135**

**3 Day Camp Price \$81**

#### *PSA Elite Camp for Entering 4<sup>th</sup>-6<sup>th</sup> Grade*

**This camp is for High B, A or Club/Select type players who want to learn advanced concepts and strategies to help prepare them for school tryouts. This camp will be limited to the first 32 players who sign up each session.**

Some of the top High School Coaches in the area will be running this camp along with elite club coaches who work in our excellent School Tryout Prep Program (STPP). We have a great success rate working with 7<sup>th</sup>-10<sup>th</sup> graders helping them make their teams and now we are bringing this program to our younger athletes so they can get a jump on the competition. This camp will focus on teaching team concepts along with advanced skills so the players will have a better understanding of what it takes to make a school team. The concepts taught will include: fast break drills taught at middle schools, multiple defensive sets that include traps in the half court, full and half court pressure defense, motion offense, zone offense, set plays, set inbound plays and last second winning plays. The campers will spend the first hour doing skills work, the second hour working on team concepts and will finish up with at least a 40-minute scrimmage. These players will be pushed so they can understand what they will encounter when they try out for their school team. This camp is NOT for beginners or kids who really don't love the game of basketball. We will provide a snack and

reversible jersey which is included in the fee. Campers do not need to bring a ball. Make it a full day with a Finish the Day FlexiPass Add On.

### PSA Basketball Team Builder Camp for Entering 7th-10th Grade

**This camp is for High B, A or Club/Select type players who want to learn advanced concepts and strategies to help prepare them for school tryouts. You show up and we build the team!**

Some of the top High School Coaches in the area will be running this camp along with elite club coaches who work in our excellent School Tryout Prep Program (STPP). This camp is a branch of that highly successful program that we will run as an intense 5-day camp, encompassing 15 hours of high level training. We have a great success rate working with 7<sup>th</sup>-10<sup>th</sup> graders helping them make their school teams. This camp will focus on teaching skills related to the position your child will be playing in school. On top of that we will also set them up to be prepared to run actual examples of school offenses that they might come in contact with. The concepts that will be taught will include: fast break drills taught at middle and high schools, multiple defensive sets that include traps in the half court, full and half court pressure defense, motion offense, zone offense, set plays, set inbound plays and last second winning plays. The campers will spend the first hour doing skills work, the second hour working on team concepts and will finish up with at least a 40 minute scrimmage. A new added bonus is we will film one of the scrimmages during the week, and then do a film session the next day so they can see how a coach breaks down a film and reviews with them their play. We will also be able to email you this film to watch with your child. These players will be pushed so they can understand what they will encounter when they try out for their school team. **This camp is NOT for beginners or kids who really don't love the game of basketball. Space is limited so sign up early.** We will provide a snack and reversible jersey which is included in the fee. We will only take the first 32 players into the camp each week so sign up early. Campers do not need to bring a ball.

All of these Camps are at PSA 2

### James Singleton Basketball Camps

James Singleton has played basketball at every level possible. From high school to junior college, a D1 university to 15 years as a PRO with 9 years overseas and 6 years in the NBA.

James played for the LA Clippers in 2005 for 2 years. There he started off his NBA career as one of the NBA's top 5 rookie of the year candidates having an unheard-of streak of 12 straight games with double doubles. He is most locally known as a former Dallas Maverick, from 2008-2010, where he became a solid player in their lineup, not to mention was able to mentor and grow tremendously as a player under the wings of Dirk Nowitzki, Jason Kidd, Jerry Stackhouse and Jason Terry, which led James to make the move to the Washington Wizards in 2010 to join a team with the opportunity as a starter and for more playing time. He helped the Wizards improve their season to a winning record from the first game he played with them and for the next 2 years of his career with them. Mixed in through his NBA career were some years playing professional basketball overseas in countries like China, Italy, Spain, Israel and Korea. All where he earned multiple titles such as, defensive player of the year, MVP, and led his teams to multiple championships. etc. He was a powerhouse player no matter where he went.

And finally, with James having a new family of his own he decided to retire in 2017. James decided it was time to stay a little closer to home having 3 kids and wife here locally and put his many years of experience, ability to still play, wealth of knowledge, passion for the game and true love for coaching and accept one of many offers to be a coach for the San Antonio Spurs Organization as an assistant coach with their G league team, specializing in player development. James has a very promising career as a professional coach ahead of him and if looking forward to this new and exciting adventure on the other side of the court. In his first year as a professional coach James's ability to coach, relate and bond with his player-helped lead them to G-league Championship.

James Singleton has experienced every level of basketball. The knowledge of how to get from one level to the next is exactly what he brings when he coaches your kids.

### ***James Singleton Training Camp- 7<sup>th</sup>-12<sup>th</sup> Grade***

Covering everything from previous camps and more. This camp expands not only the physical side of the game but also the mental side, which is what elevates players to that next level. This camp will be unlike any camp James has offered at PSA before. This camp will be fast pace, on court learning oriented, Offensive and Defensive playbook focused. The number of spots available for this camp will be limited and for those that register James may reach out directly if he has any questions. Training camp is now in session.

Emphasis on:

- Remembering play calls
- Knowing what plays to call
- Understanding the purpose of zone defense and how to capitalize on it offensively and defensively
- How to turn another players aggression into a scoring opportunity
- Physical Performance training – Similar to something's offered in the advanced camp this part of the training will be a level or more higher.
  - A. Learning to extend playing stamina and soooooo much more.....

**8/3-8/6 1pm-5pm 4 Day Camp Price \$175**

**@ PSA2 (No extended camp options available)**

## Texas Thunder Summer Soccer Camp- For players in 4th-8th grade

This is a full week camp designed to improve your players all around game. You will have a chance to focus on being the best you can be. The camps will be run indoors at PSA 2 from 1-4 pm in order to optimize training without the effects of the summer heat. You bring the hunger for the game and we will feed you the knowledge!

Our camp is designed and run by High level, licensed coaches. They have coached at high school, college, and WPSL levels. The camp will last five days with three hours of training per day. We will focus on possession, ball control, accuracy in passing and shooting, and defensive positional awareness. Drills will be designed to increase a player's ability to play at a faster pace with a better understanding playing and moving into space. We will also teach them to understand the importance of movement without the ball. Proper body position along with playing toward support will be covered. Players will learn to work quickly and recognize when to advance or to regroup. The importance of staying connected as a unit will also be addressed. Players will also be introduced into whiteboard work to read formations and movement into passing lanes. Space is limited to, so make sure and register soon. Please bring water, a ball, shin guards, and indoor shoes as **no cleats are permitted on the turf.**

In this Pokémon mission you will learn coding commands to create your own computer games. This camp will also include keyboarding skills throughout the week. You will use costume commands, blocks and user interaction routines. Why

play the games that everyone has when you can make your own? BRAINopolis will supply laptops to use in class. Bring a mouse and flash drive.

### ***Coding Avengers***

With Super Hero focus, gain fundamental skills in computer science. This is a great camp for gaining a foundation in computer science. You will learn the basics of robotics, stop-motion movies, coding, game design, and digital citizenship.

You will learn the creative process of breaking down ideas into smaller tasks with the use of storyboards that later turn into comic strips. This leads to the creative side of stop motion movies along with how Robotics can add a cool aspect

to their project. The camp ends with a movie screening that you have designed from start to finish. It is all themed with a Super Hero focus. Snack Included - Add a Finish the Day FlexiPass to make it a full day Ages 6-12

## PSA Camp Policies

PSA is accredited by the state of Texas as a licensed child care facility and must follow strict standards before allowing any child into our camps. Each child needs to be registered in DASH, and have filled out all online forms, specifically the **“CAMPER INFORMATION FORM”**, before they can attend camp. PSA Camps operate June, July and August, Winter Break and Spring Break.

Camps are operated at various times between 8:30am-4pm.

Before & After Care: Opens at 7:30am and Ends at 6pm

### Appropriate Clothes for Camps

Please wear appropriate clothing, like athletic clothes, for an active camp day. Jeans are not recommended. We require tennis shoes be worn for Flexi and sports camps; no flip flops or sandals. If your child does not wear appropriate shoes, we will have to call you to bring some to PSA, as we want camp participants to remain safe.

### Check-In, Check Out, and Late Pick-Up Policies

1. Before Care check-in will not start prior to 7:30 am, as we must ensure the facility is prepared to receive children.
2. You are expected to pick your child up no later than 6:00 pm from After Care as PSA is a recreational game facility starting at that time.
3. Parents are given a 15 MINUTE GRACE PERIOD to pick up kids from camp.
4. After that, a \$1 a minute late fee, will be charged, payable to PSA.

5. Camp check-in will start no earlier than 15 minutes prior to the stated time in the camp brochure for your child's camp.
6. Add-On 1/2 Day and Before and After Care passes can be purchased to extend your child's camp day at any time.
7. We highly recommend an adult bring the child into PSA for the morning check-in.
8. There will be computer stations set up for all camp check-ins during the summer.
9. If someone other than the child's parent is responsible for pickup, PSA requires a note from the parent with that person's name.
10. PSA will not release a child to an unapproved person.
11. No child will be allowed to walk out of PSA to a waiting car.
12. Supervisors and staff will stop children who are seen walking out without an adult to make sure they are leaving with one. This is for their safety.

## **Communication**

1. PSA communicates mostly through email
2. In the case of an emergency, we will make phone calls

## **Discipline and Guidance Practices**

Our understanding is that children participating in competitive situations will not always react in the proper way. We look upon ourselves as teachers and mentors to these kids and will work with them to teach them how to better react to certain situations. It is up to the camp director to decide if or when a child should be removed from camp for disciplinary actions. The campers must respect the counselors and other campers at all times. We will deal with indiscretions on a one-on-one basis. Actions that would be deemed removable offenses from camp on a temporary or permanent basis may include: hitting, biting, bullying, wandering away from their group without permission, or not listening to counselors or staff on a continual basis.

1. Discipline must be individualized and consistent for each child, appropriate to the child's level of understanding, and directed toward teaching the child acceptable behavior and self-control.
2. A counselor may only use positive methods of discipline and guidance that encourage self-esteem, self-control, and self-direction, which include at least the following:
  - a. Using praise and encouragement of good behavior instead of focusing only upon unacceptable behavior
  - b. Reminding a child of behavior expectations daily by using clear, positive statements
  - c. Redirecting behavior using positive statements
  - d. Using brief, supervised separation or time out from the group when appropriate for the child's age and development, which is limited to no more than one minute per year of the child's age.
  - e. There must be no harsh, cruel, or unusual treatment of any child.

The following types of discipline and guidance are prohibited:

1. Corporal punishment or threats of corporal punishment
2. Punishment associated with food, naps, or toilet training
3. Pinching, shaking, or biting a child
4. Hitting a child with a hand or instrument
5. Putting anything in or on a child's mouth
6. Humiliating, ridiculing, rejecting, or yelling at a child
7. Subjecting a child to harsh, abusive, or profane language
8. Placing a child in a locked or dark room, bathroom, or closet with the door closed; and
9. Requiring a child to remain silent or inactive for inappropriately long periods of time for the child's age.

Texas Administrative Code, Title 40, Chapters 746 and 747, Subchapters L, Discipline and Guidance

## Electronic Devices

***We do not recommend or encourage kids to bring electronic devices to camp.*** With that said, we do understand that many of these children carry cell phones today as a way to communicate with parents when they are not with them. We also realize that these mobile devices also serve as music players and game devices and they can keep a child's attention for a long period of time. Realizing this, we ask that you talk with your child about keeping their device in a secure bag if they feel they must have it with them. We also will only allow these items out during certain parts of the camp day which would include: before camp begins, rest period, and after camp ends while they wait for a parent or guardian to pick them up. The idea of being at our camp is to get away from the electronic devices and to just be kids playing with other kids. We understand the kids enjoy visiting with others about games they have, and it is a social ice breaker, but we require the kids to be responsible for their gaming system. PSA will not assume any liability for lost or damaged items. We do recommend, once again, bringing some sort of bag to place any personal items in and to clearly have their name marked on the item.

## Food and Nutrition

PSA Provides:

1. A light breakfast for campers registered in Before Care is offered from 7:30am to 8:30am.
2. Morning snacks in morning camps (8:30-11:30am) and in the Finish the Day FlexiPass
3. Lunch to campers that are in FlexiPass or who have Finish the Day FlexiPass to a ½ day camp.
4. Afternoon Snack for campers that are in an afternoon camp (1:00-4:00pm) or FlexiPass.
5. Lunch Care is required for campers attending 2 different camps in a day. Lunch care is the bridge between morning and afternoon camps and includes lunch.

Menus will be posted daily. We follow the State of Texas School-Aged Program guidelines.

Food allergies and religious eating restrictions will be addressed on an individual basis and will require a signed statement from the parents and an Emergency Plan from the child's doctor. There is to be no outside food or drinks brought into PSA.

## Health of the Child

PSA would prefer not to dispense medication. In order for PSA to dispense any medication to a child, parents must complete a form before leaving your child for the day. The form must be clear on the dosage and the time the medication is to be dispensed. It is the parent's responsibility to retrieve the remaining medicine on Friday. All medications left on Friday will be thrown away.

If your child is not feeling well, please do not bring them to camp. To protect children from communicable illnesses, campers should be symptom-free for 24 hours before returning to camp.

Symptoms include:

- Fever over 100.4 degrees. Campers must be fever free for 24 hours without medication before re-entry.
- Undetermined rash and fever
- Undiagnosed scaly patches
- Nausea, vomiting or diarrhea
- Red, draining eyes
- Intense itching with signs and symptoms of secondary infection
- Open, draining lesions
- Lice, nits on shaft of hair, until treatment is verified

If a child is injured during the camp day, we will treat to the best of our ability within reason. If it is something that needs more than rest or a Band-Aid, the parent or guardian will be contacted as soon as possible. Please make sure to provide emergency contact numbers on your application. In the case of serious injuries, an ambulance will be called. If a child becomes sick during the camp day, we will make every effort to see if rest can help the situation. If any of the above symptoms are present, we will have to contact the parent or guardian and isolate the child from camp.

## **Immunization Records**

The State of Texas requires PSA to have a copy of children's TB test and immunizations.

If your child attends school and they have the copies on site, you may sign the waiver on your forms,

- a) You are up to date
- b) School Name, address and phone number.

## **Refund Policy**

Two weeks prior to the start date of the camp – 75% credit to your MySAM account

Within two weeks of the start date of the camp – No refunds, no exceptions (includes injuries, schedule changes, etc...).

**FlexiPass Camp** – No refunds, no exceptions.

## **Transportation, Water Activities, Field Trips and Animals**

PSA does not normally provide transportation, water activities, and field trips or have animals. If the case arises, we will require a signed permission slip from the parent. The parent would have all details before occurrence.

## **Parents Have the Right To:**

- View Emergency Preparedness Plan
- Visit PSA any time during hours of operation without prior approval to observe your child
- View the Minimum Standards and the operation's most recent licensing inspection report
