## **Camp Drop off Procedures**

**(7:30 Extended/8:15-8:45am camps/12:50-1:10pm camps)**

1. To avoid overcrowding at our check in tables, please arrive early. Here are details for Summer 2022 camps.
2. Parents can walk campers into camps for drop off at your convenience. Please remember you can not stay in the building to watch during camp hours. You can view from our Skyview video and select your camp location. <http://psaskyview.org/>
3. Campers are not required to wear masks while at camp this summer.
4. If you feel your camper can walk in on their own for check-in, we will get them to their appropriate camp for you. They typically get familiar with our repeated process.
5. Campers should enter and head straight to the check in table. Our staff will ask for camper(s) name and then about any lunch option if that was purchased. A wristband will be given and scanned in for the day.
6. Doors are locked (similar to schools) during non-scheduled drop off or pick up times. Please call our camp number which is posted at each building during those times.

## **Check out Procedures**

**(11:30-11:40am camps/3:45-4:10pm camps/ 4:30-6:00 Aftercare)**

1. Pick up is by carpool (similar to schools) Our camp staff will be ready to get your camper(s) name from the convenience of your car and we will get them to designated vehicle. This is a drive up and pick up procedure to make it convenient for parents.
2. Camper(s) will be called by name and camp so we can get them to their car in a timely fashion.
3. Camper(s) will exit from the same location you dropped them off at. Should you feel the need to walk in for pick up, please park and walk up to the building.
4. Pick up for Aftercare (4:30-6:00pm) will be in the designated conference room and you will need to walk in for these pickup options. Be prepared to show identification.
3. Campers are scanned out once they are picked up.
