

HAPPY HALLOWEEN

October is one of my favorite months. There is so much to do and see plus the weather is just right. Our class has been so active with Halloween crafts, its just been a treat. We recently introduced a little addition and will continue to work on this along with counters as their guide or practice tool. I introduced some smaller sight words because of the Ghoulish Words we have been learning below. Our last team effort was a hit, because everyone was teamed up and had to take turns selecting the sight word I called out. They were all winners. Our letters this month have been E, F, G and H. We have also started creative movement in class, and what fun we are having. I'll be sending a video clip soon!

Important Dates and Reminders:
