Appropriate Clothes for Camps

Please wear appropriate clothing for an active camp day. We require tennis shoes for court play, no flip flops, or sandals. If your child does not wear appropriate shoes, we will have to call you to bring some to PSA, as we cannot let them do activities due to the fact, they could hurt themselves. Jeans are not something we recommend for play during the camp day.

Check-In, Check Out and Late Pick-Up Policies

1. Before Care check-in will not start prior to 7:30 am as we must assure the facility is prepared to receive children.
2. You are expected to pick your child up no later than 6:00 pm from After Care as PSA is a recreational game facility starting at that time.
3. Parents are given a 15 MINUTE GRACE PERIOD to pick up kids from camp.

12. Supervisors and staff will stop children who are seen walking out without a parent to make sure they are leaving with one. This is for their safety.

Communication

- PSA communicates mostly through email and contact information per building is listed below.
- In case of an emergency, we will make phone calls to parents .
- Each location has a designated camp line for direct calls to Camp Staff.

Discipline and Guidance Practices

Our understanding is that children participating in competitive situations will not always react in the proper way. We look upon ourselves as teachers and mentors to these kids and will work with them to teach them how to better react to certain situations. It is up to the Camp Director at your preferred location to decide if or when a child should be removed from camp due to disciplinary actions. All campers must respect the counselors, and other campers registered with PSA. We will deal with indiscretions on a one-on-one basis. Actions that would be deemed removable offenses from camp on a temporary or permanent basis may include hitting, biting, bullying, wandering away from their group without permission or not listening to counselors or staff on a continual basis.

1. Discipline must be individualized and consistent for each child, appropriate to the child's level of understanding, and directed toward teaching the child acceptable behavior and self-control.
2. A counselor may only use positive methods of discipline and guidance that encourage self-esteem, self-control, and self-direction, which include at least the following:
 - a. Using praise and encouragement of good behavior instead of focusing only upon unacceptable behavior
 - b. Reminding a child of behavior expectations daily by using clear, positive statements
 - c. Redirecting behavior using positive statements
 - d. Using brief, supervised separation or time out from the group when appropriate for the child's age and development, which is limited to no more than one minute per year of the child's age.
 - e. There must be no harsh, cruel, or unusual treatment of any child.

The following types of discipline and guidance are prohibited:

1. Corporal punishment or threats of corporal punishment
2. Punishment associated with food, naps, or toilet training
3. Pinching, shaking, or biting a child
4. Hitting a child with a hand or instrument
5. Putting anything in or on a child's mouth
6. Humiliating, ridiculing, rejecting, or yelling at a child
7. Subjecting a child to harsh, abusive, or profane language
8. Placing a child in a locked or dark room, bathroom, or closet with the door closed; and
9. Requiring a child to remain silent or inactive for inappropriately long periods of time for the child's age.

Texas Administrative Code, Title 40, Chapters 746 and 747, Subchapters L, Discipline and Guidance

Electronic Devices

We do not recommend or encourage kids to bring electronic devices to camp. With that said, we do understand that many of these children carry cell phones today to communicate with parents when they are not with them. We also realize that these mobile devices also serve as music players and game devices, and they can keep a child's attention for a long period of time. Realizing this, we ask that you talk with your child about keeping their device in a secure bag if they feel they must have it with them. We also will only allow these

items out during certain parts of the camp day which would include before camp begins, rest period and after camp ends while they wait for a parent or guardian to pick them up. The idea of being at our camp is to get away from the electronic devices and to just be kids playing with other kids. We understand kids enjoy visiting with others about games they have, but we require each camper to be responsible with personal belongings including their gaming system. PSA will not assume any liability for lost or damaged items. We do recommend once again bringing some sort of carry bag to place any personal items in and to clearly have their name marked on the item.

Food and Nutrition

PSA Provides:

1. A light breakfast for campers registered in the Before Care is offered from 7:30am to 8:30am.
2. Morning snacks are available for morning camps.
3. Lunch is for campers that are in Flexi Pass or who have Finish the Day FlexiPass added to a ½ day camp.
4. Afternoon Snack for campers that are in a 1:00pm-4:00pm, ½ day camp or FlexiPass.
5. Lunch Care is required for campers attending 2 different camps in a day.

Menus will be posted daily. Your child will be asked each day a lunch choice when checking in. There will be several options given including vegetarian options. We follow the State of Texas School-Aged Program guidelines. Food allergies and religious eating restrictions will be addressed on an individual basis and will require a signed statement from the parents, and an Emergency Plan from the child's doctor. There is to be no outside food or drinks brought into PSA.

Health of the Child

PSA would prefer not to dispense medication. For PSA to dispense any medication to a child, parents must complete a form before leaving their child for the day. The form must be clear on the dosage and the time the medication is to be dispensed. It is the parents' responsibility to retrieve the remaining medicine on Friday. All medications left on Friday will be thrown away. If your child is not feeling well, please do not bring them to camp. To protect children from communicable illnesses, campers should be symptom-free for 24 hours before returning to camp.

These include:

- Fever over 100.4 degrees. Campers must be fever free for 24 hours without medication before re-entry.
- Undetermined rash and fever
- Undiagnosed scaly patches
- Nausea, vomiting or diarrhea
- Red, draining eyes
- Intense itching with signs and symptoms of secondary infection
- Open, draining lesions
- Lice, nits on shaft of hair, until treatment is verified

If a child is injured during the camp day, we will treat it to the best of our ability within reason. If it is something that needs more than rest or a Band-Aid, the parent or guardian will be contacted as soon as possible. Please make sure to provide emergency contact numbers on your application. In serious injuries, an ambulance will be called. If a child becomes sick during the camp day, we will make every effort to see if rest can help the situation. If any of the above symptoms are present, we will contact the parent or guardian and isolate the child from camp.

Immunization Records

The State of Texas requires PSA to have a copy of children's TB test and immunizations. 744.613.

If your child attends school and they have the copies on site, you may sign the waiver on your forms stating:

- a) You are up to date
- b) School Name, address, and phone number.

Within two weeks of the start date of the camp – **No refunds**, no exceptions (includes injuries, schedule changes, etc....).
