A PSA Sponsorship is the perfect way to reach your target audience. No other organization in the metroplex compares to PSA if you want to reach the community. Our sponsorships offer the opportunity to reach the community through signage, community events (Sponsor Event Days and Sponsor Fair Days) and the distribution of literature and coupons.

Privileges of PSA McKinney Sponsorships:

- PSA has over 110,000 participants in our sport's programs each year, with over 30,000 participants at PSA McKinney. These participants and their families are your target audience!
- PSA McKinney has over 1.5 million visitors each year!
- PSA McKinney Sponsors receive Individual Sponsor Event Days. These days allow sponsors to set up a table at PSA McKinney to reach the community. Sponsors have the opportunity talk to families about their business and distribute materials. We have over 1,000 visitors per hour every Saturday and Sunday!
- Spring, Fall and Winter Sponsor Fair Days at PSA McKinney. All PSA McKinney sponsors are invited to attend. Similar to Individual Sponsor Days, but with all sponsors invited. This event is VERY popular and successful at PSA McKinney. Sponsors feed off each other and network together!
