

Nov/Dec 2013 Newsletter

November was a great month, we were able to discuss who/what we were "Thankful for" Each of their descriptions were too cute ! In November we were also able to recap a lot of our site words, color words in a fun game called "Turkey in the Bag." I was so amazed at how many words they knew. I look forward to recreating this game.

In November we were saddened when one of our friends moved to a new state.

Tyler was a returning classmate, and the kids enjoyed his presence. He and his family moved to Tennessee. Tyler was very thrilled about all the new journeys he will make in his new home, and he hopes there will be a PSA there one day!
